Notice

Subject: Online application for registration of Notified Body through SUGAM Portal under Medical Devices Rules, 2017- Reg.

As you are aware that the Medical Devices Rules, 2017 have been notified where processing of the applications for registration of Notified Body is proposed to be commenced from 01.07.2017 through an online portal of the Central Government. SUGAM portal maintained by the CDSCO will be the online portal of the Central Government and will receive such applications under the Medical Devices Rules, 2017. The module for receiving of applications for registration of notified bodies has been developed and now available for testing at http://220.156.189.68/CDSCO_MD/

Entities, who intend to function as a Notified Body under the provisions of the Medical Devices Rules, 2017, may submit dummy applications for testing of the portal. Step by step guidelines for the detailed application procedure are available on the above link. Above link will be available for making applications till 15-June-2017. In case of any technical difficulty while accessing the portal or submission of application, you may write to it-helpdesk@cdsco.nic.in or ithelpdesk.sugam@gmail.com.
