Dated 20th November, 2015

Subject: Donation of organ(s) and/or tissues after being declared brain stem dead – regarding

Shri J.P.Nadda, Hon'ble Minister for Health & Family Welfare Government of India will launch a campaign on 27th November, 2015 at 09:30 hrs in Vigyan Bhawan, New Delhi for donation of organ(s) and/or tissues after being declared brain dead. All the officers and staff working in CDSCO (HQ), Zonal / Sub-zonal offices, Laboratories of CDSCO and all State / UTs Drugs Controllers are requested to kindly attend and participate in the campaign as aforesaid.

2. Donation of organ(s) and/or tissues after one's death is a very noble cause. The organ(s) so donated are transplanted into living persons who suffer from malfunctioning/deficiency of such organs thereby end their sufferings and transform their lives. An appeal is therefore, made to the officers and staff working in CDSCO to come forward and volunteer pledging of their organs after being declared brain stem dead. The organ(s) and tissues pledging form (to be filled in triplicate) can be downloaded from CDSCO's official website.

3. Organ donation is a family decision. Therefore, it is important that one discusses his/her decision with family members and loved ones so that it will be easier for them to follow through one's wishes. The person making the pledge has the option to withdraw the pledge.

(Arun Sharma)
Director (Admn.)

To

1. All officers and divisions in CDSCO (HQ), Zonal / Sub-zonal offices Laboratories of CDSCO
2. All State / UTs Drugs Controllers
