Government of India  
Directorate General of Health Services  
Central Drugs Standard Control Organization  
(Cosmetic Division)

FDA Bhawan, Kotla Road  
New Delhi-110002

Dated: 13 SEP 2019

Notice

**Subject: Details of IEC/GSTN code is required from all the beneficiaries (Stakeholders/ Importers/Exporters, Customs House Brokers) in case of Import of Cosmetics into India-Reg**

Kind attention of all the beneficiaries i.e. Stakeholders/importers/Exporters, Customs House Brokers, reference is invited to the Notice on Implementation of PGA e-SANCHIT, dated 29.01.2019 and to the subsequent notice dated 08.08.2019 on requirement of details of IEC/GSTN code of all the beneficiaries in case of Import of Cosmetics. The said notice dated 29.01.2019 had outlined the procedure for registration of beneficiaries on ICEGATE and uploading of Licenses/permits/Certificates/Others Authorizations (LPCOs) by Participating Government Agencies (PGA) on e-SANCHIT

The Central Drugs Standard Control Organization (CDSCO), has been identified as one of the PGAs for implementation of e-SANCHIT to upload LPCOs for import of Cosmetics with the objective of further reducing physical interface between Customs/Regulatory agencies and the trade and to increase the speed of clearance in both Import and Exports.

The registration of the beneficiaries on ICEGATE is a pre requisite condition so that PGAs could link the LPCOs to the registered beneficiaries IEC/GSTN and e-mail id. It may be noted that after the beneficiary is registered on ICEGATE, the unique image Reference Number (IRN) for the LPCO uploaded by PGA would be communicated to the beneficiary. This IRN would then be used by the beneficiary to link the LPCO with the bill of Entry /Shipping bill for Customs clearance. On implementation of e-Sanchit the beneficiaries would not be allowed to upload the above mentioned LPCO.

Therefore, all beneficiaries i.e. Stakeholders/Importers/Exporters, Customs House Brokers transacting with Customs for Cosmetics are requested to furnish details of IEC/GSTN code along with email id registered with ICEGATE portal and contact details of concerned person to this office at the email id [cosmetics@cdsco.nic.in](mailto:cosmetics@cdsco.nic.in)

The beneficiaries are also required to mention the above stated details in the covering letter while applying for grant of Import Registration Certificate for Cosmetics on Sugam Portal.

  
(Dr. V.G. Somani)  
Drugs Controller General (I)
