

File No. Import/Misc./39/2018-DC (Pt.-09)
Government of India
Directorate General of Health Services
Central Drugs Standard Control Organization
(Import & Registration Division)

FDA Bhawan, Kotla Road
New Delhi-110002

Dated:

11 JUN 2019

Notice

Subject:- Details of IEC/GSTN code of all the beneficiaries (Stakeholders / Importers / Exporters, Customs House Brokers) - Regarding.

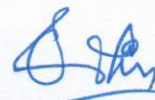

Kind attention of all the beneficiaries i.e. Stakeholders / Importers / Exporters, Customs House Brokers, reference is invited to the Notice of even file no dated 29.01.2019. The said notice had outlined the procedure for registration of beneficiaries on ICEGATE and uploading of Licenses / Permits / Certificates / Other Authorizations (LPCOs) by Participating Government Agencies (PGAs) on e-SANCHIT.

The Central Drugs Standard Control Organization (CDSCO) is identified as one of the PGAs for implementation of e-SANCHIT to upload LPCOs for Import License of Drugs with the objective of further reducing physical interface between Customs/Regulatory agencies and the trade and to increase the speed of clearance in both Import & Exports.

The registration of the beneficiaries on ICEGATE is a pre-requisite condition so that PGAs could link the LPCOs to the registered beneficiaries IEC/GSTN and e-mail id. It may be noted that after the beneficiary is registered on ICEGATE, the unique Image Reference Number (IRN) for the LPCO uploaded by PGA would be communicated to the beneficiary. This IRN would then be used by the beneficiary to link the LPCO with the Bill of Entry/ Shipping Bill for Customs clearance. On implementation of e-SANCHIT the beneficiaries would not be allowed to upload the above mentioned LPCO.

Therefore, all beneficiaries i.e Stakeholders / Importers / Exporters, Customs House Brokers transacting with Customs for drugs are requested to furnish details of IEC /GSTN code along with the email id registered with ICEGATE portal and contact details of concerned person to this office at the email id import.regist@cdsco.nic.in .

The beneficiaries are also required to mention the above stated details in the covering letter while applying for grant of Import License on Sugam Portal.

(Dr. S. Eswara Reddy),
Drugs Controller General (I)
