Subject: Online Application for issuance of Written Confirmation Certificate (WCC) –
Regarding

In continuation to this office notice of even number dated 07.07.2021 on the subject cited above; it is informed that the suggestions/comments received from stakeholders have been incorporated to help improve the module developed for online processing of applications for WCC on SUGAM portal. The module is functional now.

In furtherance to same, for obtaining any further endorsement or additional product, it is hereby requested to all stakeholders holding valid WCCs to submit applications of already issued valid WCCs through “**Historical**” mode of application in the Module as available on applicant’s portal. Such applications are compulsory from IT perspective for issue of WCC for additional/endorsement of products in existing WCC.
