- II. The manufacture of Oxytocin formulations for export purposes shall be open to both public and private sector companies and the packs of such manufacture for exports shall bear barcodes.
- III. The manufactures of active pharmaceutical ingredient (API) of Oxytocin shall supply the API only to the public sector manufacturers licensed under the Drugs and Cosmetics Rules, 1945 for manufacture of formulations of the said drug for domestic use
- IV. The manufacturers of active pharmaceutical ingredient of Oxytocin shall supply the said active pharmaceutical ingredient to the manufacturers in public and private sector licensed under the Drugs and Cosmetics Rules, 1945 for manufacture of formulations of the said drug for export purpose.
- V. The Oxytocin formulations manufactured by the public sector companies or undertakings licensed under the Drugs and Cosmetics Rules, 1945 for domestic use shall supply the formulations meant for human and veterinary use only,-

- a) To the registered hospitals and clinics in public and private sector directly; or
  - b) To the Pradhan Mantri Bhartiya Janaushadhi Pariyojana (PMBJP) and Affordable Medicines and Reliable Implants for Treatment (AMRIT) outlets or any other Government entity which may be specified by the Central Government for this purpose in the country which shall further supply the drug to the registered hospitals and clinics in public and private sector.
- VI. The Oxytocin in any form or name shall not be allowed to be sold through retail Chemist.

The issue is being discussed and monitored at highest level of Government from time to time for proper implementation of various measures taken to prevent misuse of the drug in the Country. CDSCO has also issued letters from time to time requesting you to strictly monitor and unearth illegal manufacture, sale, and distribution of oxytocin to prevent its misuse.

In light of recent measures as above, you are requested to sensitize your inspectorate staff to keep strict vigil on manufacture, sale and distribution of Oxytocin in the country and take all regulatory measures to ensure that oxytocin is not illegally manufactured / sold and its misuse in dairy and agriculture is prevented.

Details of action taken in the matter may please be forwarded to this office for further action.

Yours faithfully,

(Dr. S. Eswara Reddy)  
Drugs Controller General (India)
