NOTICE

Indian Association of Dermatologists, Venereologists & Leprologists (IADVL) visited the Office of DCG (I) and raised the issue of updating the Schedule H of the Drugs & Cosmetics Rules, 1945. It was highlighted that many of the topical corticosteroids marketed in the country do not figure in the Schedule H, which was last amended in the year 2006.

It was felt that a need has arisen to update the list of the drugs, as many drugs which have since been approved for marketing in the country after 2006, are required to be covered under the Schedule.

All stakeholders are, therefore, requested to give their suggestions for addition or deletion to the list of drugs to be covered under Schedule H within 30 days.
