

DCG (I)/MISC/2015 (54)
Central Drugs Standards Control Organization
Directorate General of Health Services

FDA Bhavan, Kotla Road,
New Delhi – 110002.

Dated: 14 February, 2015

To

All State/UT Drug Controllers

**Sub: Availability of diagnostic kits, drugs used for Swine Flu-
regarding**

Sir,

Secretary, Health & Family Welfare Government of India along with other senior officials reviewed the current status of the H1N1 Influenza infection (Swine Flu) through video-conferencing with affected State Health officials on 14th February, 2015. During the conversation, some of the State officials raised concern that the diagnostic kits and other items used in Swine Flu are being sold at exorbitant price.

You are, therefore, requested to take all measures to ensure that drugs, diagnostic kits and other related items used for Swine Flu control are of standard quality and available at the right price.

Action taken in this regard may kindly be informed to this Directorate at the earliest.

For any assistance, you may contact **Mr. A.K. Pradhan**, Dy. Drugs Controller (India), DCGI Secretariat **Tel: 011-23236965/Fax: 011-23236973/Mobile No.9818091027.**

Yours faithfully,

(Dr. G. N. Singh)

Drugs Controller General (India)
